

## Designer Consignment Los Angeles

Glamdrobe was born in 2010, after realizing that I had amassed piles of fabulous designer clothes, shoes and accessories. But I'd barely worn them.

If you've found your way to Glamdrobe, then I'm guessing you can relate to me, Bianca, shopaholic. Namely, because you too, are obsessed with things like Vogue, and look forward to Fashion Week more than anyone you know. Unfortunately, due to your discerning taste, your flair for fashion can get expensive. Indeed, because your unquenchable thirst for all things chic isn't quite fulfilled by your budget, it makes it difficult to bankroll your craving for authentic, designer apparel.

Fortunately, that's when the proverbial light bulb slowly turned on. And I began to think: "These clothes are in pristine condition. I barely wore them!"

I sold out of my own items seemingly overnight, and friends began to turn to me for help in selling their gently worn designer items. I soon began expanding into men's designer clothing and accessories as well. We're talking about the most coveted, 100% authentic, designer labels, including Chanel, Hermes, Fendi, Ferragamo, Alexander McQueen, Prada, Miu Miu, Christian Louboutin, Yves Saint Laurent, Louis Vuitton, Tom Ford, and Gucci, just to name a few.
